WELCOME TO BREED WEEKS!

We're so excited to welcome you and your dog to Petite Paws Week here at The Ashleigh.

Breed Weeks are all about celebrating the dogs we love most. For one whole week, we've tailored your stay with walks, tips, and treats that suit your dog's unique personality. Whether you're here to explore Bournemouth's beautiful beaches and countryside, or to simply relax in the comfort of our dog-friendly B&B, we've made sure both you and your pup feel right at home.

Inside this booklet, you'll find everything you need for the week, from local walks perfect for pups, to fun tips, facts, and even some special treats.

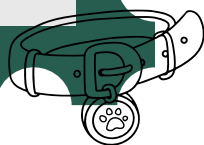

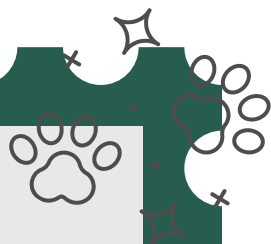

Most importantly, have fun, meet fellow dog lovers, and make memories with your best friend. We can't wait to see tails wagging!

2 LOCAL WALKS

Little legs don't need miles of trail — but they still enjoy an outing with lots to sniff and plenty of resting spots. Here are some easy routes for petite paws:

- Bournemouth Lower Gardens – Flat, colourful and sociable. Perfect for smaller dogs who like short strolls with plenty of benches for a breather.
- Boscombe Chine Gardens – Leafy, shaded and calm. Ideal for a gentle wander without too much hustle and bustle.
- Iford Playing Fields – Open grass and flat ground — a good spot for little dogs to stretch their legs safely.
- Fisherman's Walk (Southbourne) – A charming tree-lined walk down to the beach, with lift access in summer for dogs who'd rather not tackle the hill.

Tip: Smaller breeds can tire quickly, so plan short walks with shaded spots to rest. Carriers or dog slings are handy for longer days out.

3 DOG FRIENDLY STOPS

After a little trot, your small pup will be ready to curl up beside you. Here are some cosy local spots that love welcoming pint-sized pooches:

- Cafe Boscanova (Boscombe) – Bohemian, lively and welcoming inside and out. Perfect for small dogs who like to perch on their human's lap.
- The Goat and Tricycle (Bournemouth Town Centre) – A dog-friendly pub with staff who are always ready with treats and fuss. Great for a quiet pint and a pup cuddle.
- The Snug (Christchurch) – Homely, laid-back and relaxed. Small dogs settle right in like it's their own living room.
- Urban Reef (Boscombe seafront) – Spacious with sea views, but cosy corners too. Little dogs get just as much attention as the big ones here.

Tip: Smaller dogs often feel safer up high — many cafés don't mind if they sit on your lap or a chair, as long as they're well-behaved. 🐾

5 DID YOU KNOW?

- Small breeds often have big personalities — don't underestimate their confidence or energy.
- They can feel the cold easily, so cosy blankets or little coats are useful for seaside breezes.
- Toy breeds are prone to “little dog syndrome” — not because they're naughty, but because they think they're 10x bigger than they are.
- Regular, short walks are better than one long hike — small joints appreciate steady exercise.
- Did you know? The Chihuahua is the world's smallest dog breed, but they often live the longest — with many reaching 15 years or more.

6 OUR PROMISE

At The Ashleigh, we believe dogs aren't just pets, they're family. That's why we've created a place where your four-legged friends are welcome all year round, without strict rules or astronomical pricing.

Our promise is simple:

- Every dog is welcomed with the same warmth as every guest.
- Every stay is made as comfortable and stress-free as possible.
- Every tail wag matters to us.

We're proud to have been voted the UK's Best Dog Friendly Hotel & B&B two years in a row, and we're always working towards making your experience even better.

Whether your pup is small, large, bouncy, or snoozy, they'll always have a place here.

Because at The Ashleigh, it's not just your holiday, it's theirs too. 🐾
